Anne Mustoe:

Two Wheels to Cairo

3 November 2004

One blustery April morning, Anne set off from Cleopatra's Needle on the Thames Embankment to cycle to Heliopolis, the Needle's original location in Egypt. And as the Needle came to London by water, she followed water - rivers, canals and sea coasts - all the way to the Valley of the Nile.

It was the sort of journey everyone dreams of making. But just about everything that could go wrong, went wrong - storms, floods, heatwaves, robbery, injuries, and the fright of finding herself in a jittery Muslim country on 11 September. There were so many misfortunes, both major and minor, that it almost turned into a comedy.

Guildford Travel Club meets at the Methodist Church Hall, Wharf Road, off Woodbridge Road, Guildford (next to cricket ground).

On alternate Wednesdays from October to April at 8.00pm (doors open at 7.30pm).

Visitors are welcome - £5 per meeting (Student Card Holders - £2.50).
