Illustrated talk by John Buckingham:

## *“Wildlife in Central America”*

John is a naturalist and widely published wildlife photographer and also runs the Swan Natural History Photographic Agency. Well known as a lecturer and tutor in birds and wildlife with universities in the southeast of England, John has travelled widely and leads wildlife and bird watching holidays throughout the United Kingdom and worldwide. On his second visit to GTC he will share his knowledge and experience of the fascinating wildlife of Florida, Costa Rica and Ecuador.
