New programme

Celia Rust has arranged another very promising programme, two copies of which are enclosed. The season starts on 2nd October with a welcome return visit by **Lee Farmer**. Last time he took us up Kilimanjaro. This time we are off to **Western Nepal**.

We shall also be holding our **Members' Social Evening** on 6th November. Further information will follow, but please put the date in your diary now.

Please give the extra copy of the programme to a friend or relation who might be interested in coming to our talks.

Request for help

Once again the Membership Renewal / Application form is asking you to indicate whether or not you could help with a variety of jobs on Club nights. We had a good response last year, and, hopefully, this will continue. Please see overleaf for details of these jobs.

Destinations Page

If you have access to the internet, have you ever looked at the **Destinations** page on the Club's website, where members share their pictures and travel experiences? We should very much like to add some new ones. If you are interested, please contact Harry and Jean Wickens by e-mail at the address shown on the website.

I hope you are having a good summer, despite the very mixed weather, and will enjoy some travelling. We shall look forward to welcoming you back to the Club in October.

Robert MacAndrew
Chairman
